

Argon arc welding straight seam welder

Our Product Introduction

for more products please visit us on wire-bendingmachine.com

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: Jin Hongxiang
- Model Number: JLH
- Minimum Order Quantity: 1 set
- Price: consult
- Packaging Details: Export wooden case
- Delivery Time: 5-10 days or negotiation
- Supply Ability: 100 Set/Sets per Month

Product Specification

- Machine Type: Automatic Gas Shielded Welding
- Core Components: PLC Programming, Touch Screen Display
- Key Selling Points: Exquisite Design, Precise Processing,
- Weight (KG): 200
- Voltage: 380V
- Usage: Spot Welding Or Pull Welding
- Feature: Fully Automatic
- Advantage: High Speed Stability

Product Description

Argon arc welding straight seam welder

Name:

straight seam welding machine,
CO2 straight seam welding machine,
argon arc straight seam welding machine,
gas shielded welding butt joint machine

Performance characteristics

Butt welding non-ferrous metal sheet. Single side welding, double side forming, smooth weld and high welding air tightness.
Welding thickness: 0.2-3.0mm

application

Used for welding thermos cups, water heater liners, soup cans, garbage cans, lampshades and other products

Control system

Mitsubishi PLC programming + man-machine interface.

Applicable material

Iron, aluminum, stainless steel, high carbon steel and other non-ferrous metals

Adaptive power supply

Argon arc welding machine,
carbon dioxide welding machine.

Detail features

PLC microcomputer numerical control, text display, man-machine interface, numerical adjustment and setting of various parameters

Compression: Pneumatic

Welding torch drive: stepping motor

Welding gun walking: ball screw module

Welding speed and length setting: numerical setting and adjustment, parameter digital display.

Welding power supply: argon arc welding machine

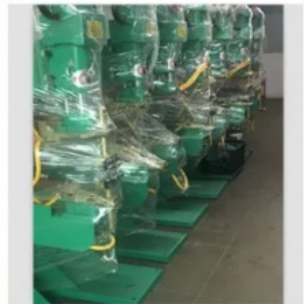

Starting mode: foot switch

Packed and exported to India

Independent R & D and production, focusing on welding and forming equipment for more than 20 years. It is exported to the world, and there are sales companies in Vietnam. It has accumulated tens of thousands of customers.

III FACTORY OVERVIEW

Dongguan Jinghongxiang Automation Equipment Co., Ltd.
